152nd General Assembly Begins in Dover

This week, the 152nd General Assembly officially began its work in Dover. As your Lt. Governor, I am honored to serve as the presiding officer in the Delaware Senate. As this new session gets underway, we are reminded of the people we serve, our responsibility to them, and our responsibility to help make Delaware a great place for everyone.

I look forward to working with legislators on a variety of issues including investment and supports for education, strengthening our workforce, improving the environment, and expanding access to healthcare for all Delawareans. Congratulations to all of the new and returning legislators! I am excited for the

opportunity to work with each of you to help continue to advocate for a stronger, healthier Delaware.

St. Patrick's Center

Last month, I visited the St. Patrick's Center in Wilmington to meet with their Executive Director, staff, and the Delawareans they serve. The center helps feed over 2,500 people per month, providing breakfast, groceries, showers, laundry services, and other social services to community members.

With temperatures continuing to drop, the St. Patrick's Center in Wilmington is working tirelessly to serve the community, many of whom don't have a warm place to rest their heads. Please consider donating or purchasing urgently needed items by using the links below:

Martin Luther King Jr. Day of Service

As we honor the legacy of Dr. Martin Luther King Jr. Day on Monday, let us remember his words about the importance of service to others "...everybody can be great because greatness is determined by

service." MLK

embodied what it meant to selflessly serve others. On this day of service, I hope you will take some time to honor his legacy by serving those in need in your community and around your state. For volunteer opportunities near you, click the link below!

Community Giveaway

Earlier this week, I had the opportunity to join community partners and residents in Bear to host a community giveaway with our wonderful sponsors **Love and hope rescue mission**, **Women of Exception Inc.**, and **Amazon**. Thanks to our incredible volunteers, we were able to hand out toys, clothing, and over 8000 lbs. of food to nearly 800 Delawareans in need.
